Dear Mayor Sweeney and City Council,

It is with regret that I will be unable to attend the March 4 Council meeting at which you are scheduled to make a momentous decision to place the ½ cent sales tax ballot measure on the June ballot.

I applaud your thoughtful approach to taking this vote which will mean so much for the City. All the steps leading to this potential vote have carefully considered the needs of the City and prioritized Hayward citizens major concerns.

I must say the building the new 21st Century Library and Learning Center is my most important priority and I pledge to walk precincts, make phone calls, and whatever else is required to bring this new facility to actuality.

The thoughtful people you are leads me to believe that you will make the wise decision to put the ½ cent sales tax ballot measure on the June ballot.

Yours truly,

Evelyn Cormier
